

who we are

we respect your privacy and only process the minimum amount of personal data necessary to operate our website

what data we collect

- 🎯 the e-mail address you voluntarily provide via the contact form
- 🎯 technical information (such as IP address, browser type, operating system) is automatically processed by our hosting provider Vercel to ensure site functionality and security ([Vercel Privacy Policy](#)).

how we use your data

- 🎯 to respond to your inquiry
- 🎯 to ensure the functionality and security of the website

data sharing

We do not share your personal data with third parties, except as required by law. Technical data may be processed by our hosting provider Vercel

хранение данных

- 🎯 your e-mail is stored only as long as necessary to process your inquiry
- 🎯 you may request deletion of your data at any time by contacting us

your rights

you have the right to request access, correction, or deletion of your data, as well as to withdraw your consent to processing

contact

if you have any questions about how we handle your data, please contact us at:
